

ALTAR SERVERS AND EUCHARISTIC ASSISTANTS

Firstly let me say a great big thank you to those Parishioners who helped with this ministry, I appreciate their help.

For the most part all goes well at the Services, there has been the odd occasion when something goes amiss.

We have two young helpers who are doing a great job. More people would be very helpful. We are all doing God's work, and are full of the holy spirit.

ANGLICAN WOMEN REPORT FOR 2008

We started our year on February 4th by holding a morning tea. This was a terribly hot day and not well attended, but we had seven people from Caloola Court as they thought Activity Group started that day. They enjoyed a slap-up morning tea before the bus

came and collected them — an amount of \$135 was raised for Chaplaincy Fund.

We took part in the World Day of Prayer in March. Also in March we made 700 crosses for Palm Sunday. This year we made some for The Redeemer Church at Ashmont. We helped Activity Group in May for the Cancer Cup of Tea.

Our Mission Lunch was held in August and \$450 was raised, half to go to Christian Education Team and half to ABM. This was well attended and a good result for C.E.T. and A.B.M.

We helped with the catering for the Festival of Flowers, Arts and Music in October. This year the money raised went to Can Assist.

We ended our year by attending Combined Churches Concert, in December, where Ida Buckley performed recitations.

The finale being luncheon for our members and members of the Clergy Team.

I would like to thank all Anglican Women members and especially the office bearers for help during the year. A big thank you to Vicki who is always pleasant and helpful to me.
